THE ACADEMY PACKAGE 2024

THE ACADEMY PACKAGE

In 2024, we are elated to introduce a groundbreaking initiative – the Academy Packages, designed to elevate the football experience for our aspiring players. Drawing inspiration from the intense Sunday morning matches in Europe, we aspire to recreate that infectious excitement within our academy. Imagine the feeling that players like Elias, Coach Sam, and Coach Cian would experience – an exhilarating wake-up call, eager to step onto the pitch and compete for those crucial three points every Sunday.

We've organized the year into 3 blocks of 16 weeks each. When you commit to a (4 month) 16-week block, you unlock access to 2/3 training sessions a week and weekly competitive fixtures. Our programs and our trainings continue throughout the year so for XMAS, Songkran/April Holidays or Summer Holidays so you don't need to worry on missing out! Where there isn't competitive fixtures we will look to arrange friendly fixtures!

Our academy packages are for U7s - U18s & U21/First Team! Our Academy teams who will be featuring in competitive weekly fixtures played every Sunday.
